THE SONOBED SPARROW ~ MULTI USE

STANDARD FEATURES

- Electric height adjustable from 26" – 38" – available Ultra-Low Column 19" – 38" – see ergonomic options
- Electric Fowler positioning (back)
- 5" Individually locking casters
- *See Ergonomic options for Central Locking Casters
- Hand control for electronic functions – foot control(s) available – see ergonomic options
- Dropping foot panel – available in power, see ergonomic options
- Hidden stirrups – slide out when needed and store under the bed frame, the stirrups never leave the bed – permanently fixed onto the bed frame
- 600 lbs. LOAD capacity | 900 lbs. LOAD capacity
- 76" Length — 30" Width

ERGONOMIC OPTIONS

- Power Foot Panel – Drop the foot panel into any increment you desire.
- Ultra-Low Column lowers the bed to 19" and raises to 38". Ideal for wheelchair transfer height making it easier for the patient to enter and exiting the bed
- Central Locking Casters – Lock and unlock all 4 casters at once with the central locking braking system.
- Power Foot Panel - Drop the foot panel to any increment desired
- Ergo Rails side rails - swing down and lock under the bed frame, leaving space for sonographer's knees
- Head Rails - 2 styles to choose from. Head rails help the patient position themselves, saving the sonographer from lifting and assisting them into place

MADE IN USA | BED ARRIVES FULLY ASSEMBLED

It takes one to know one.

A bit about us...the Stasney team.

SonoBed™s are custom designed and hand crafted by registered Sonographer Jason Stasney RVT, RDCS.

Angela Stasney teaches sonographers the importance of ergonomics and how equipment choices, along with simple daily exercise, can further their careers.

You can easily reach us any time at **888.256.8748**.
